

Hockey Winnipeg Announces the 2021/2022 Female AA All-Star Teams

Each year, Hockey Winnipeg hosts a series of All-Star Days that serve to celebrate the accomplishments of our players across many age categories and ability levels.

Unfortunately, due to the ongoing Covid-19 Pandemic the All-Star Games will not be played at this time as we are trying to protect our Regular Season and Playoff Schedules as best we can. Mixing the players from across the league onto two teams for an event like this could lead to an unnecessary spread of the virus.

Despite the fact that the games will not be played this winter, we are proud to present the rosters for the 2021/2022 Female AA All-Star Teams! There are three Female AA Divisions in Hockey Winnipeg and each one has named All-Star teams.

The U13 AA Division's selections are representative of all 8 teams in the league. In the U15 Division, there are 12 teams represented and the U18 Division has a total of 6 teams.

The Twins AA Hockey program was set to host the games in January of 2022 at St. Norbert Community Centre.

Congratulations to the 2021/2022 Female AA All-Star Teams!
